ROOMS

87 suites, accommodating from 2 to 5 persons - or giving a single occupant plenty of space! Situated in a more modern building than our other Copenhagen hotels, Manon les Suites is nonetheless recognisably Guldsmeden - with all the cosy comfort, relaxed atmosphere and warm hostmanship that we love to work with every day.

The suites vary in size, from 34 to 74 sqm., and the largest ones are equipped with 2 bathrooms. All suites have a mini tea-kitchen with refrigerator, sink and electric kettle.

JUNGLE FISH

Manon les Suites is also home to Junglefish, our Balinese pool concept translated to a Northern climate.

A lush hanging jungle frames the inner atrium, with a swimming pool at its heart. Recharge with a swim, or relax with a snack & a drink in the surrounding lounge. Junglefish is freely available to all guests.

MANON'S Lounge Fridays

Our 5-star hotel offers you all the little luxuries you could wish for during your stay, and we start off with welcoming you to the house with a complimentary wine hour – join us in our rooftop restaurant from 17.00 – 18.00 every day. And if you're here on the first Friday of the month, we hope you'll party with us on our Friday Lounge! The event is a huge draw with the Copenhageners, so join us and party with the locals.

JUNGLE GYM

We couldn't help ourselves – we just HAD to call our in-house gym concept Jungle Gym! An offshoot of the first and original gym in Copenhagen, Sporting Health Club, SHC Søerne, is one of the coolest gyms around, with state-of-the-art equipment in a raw and energizing environment. Guests of Manon les Suites have free access to the Jungle Gym, and it is possible to reserve a personal professional trainer.

ORGANIC & SUSTAINABLE

Manon les Suites is, in accordance with Guldsmeden Hotels policy, certified by Green Key and awarded the Golden Ø for between 90 and 100% organic food & drink.

MANONS RESTAURANT

On the top floor, you will find our cosy indoor & outdoor rooftop restaurant & bar, where you can feast your eyes on the amazing view while enjoying our signature cocktails, the very best in wine, beer, soft drinks and a mouth-watering menu of signature dishes and well-loved classics with a Guldsmeden twist.

The rooftop also features a steam room and sauna available for all guests.
