

A holiday with a splendid view.

MAREMÜRITZ Yachthafen Resort & Spa, which has been welcoming guests since 2019, is located in a picturesque setting on a narrow strip of land separating two lakes. Soak up the maritime atmosphere first hand in our stylishly appointed apartments with lake view.

Our OhJulia restaurant serves Mediterranean cuisine and refreshing aperitifs in an inspiring atmosphere. The unrestricted lake view from the sun deck makes it the ideal place to take in Waren's amazing sunsets and spectacular scenery. Or you can enjoy a sundowner at our outdoor bar. The relaxing atmosphere of the spa, which also boasts panoramic lakefront views, makes it a haven of well-being for people who love the lure of the lakes.

Make the most of your holiday by participating in some of the many water activities that are available to guests. Situated on the banks of Lake Müritz, Germany's largest inland lake, the resort is the ideal excursion departure point for both landlubbers and "water rats". Several moorings are available at the marina right next for guests. So you can literally hop off your boat and start living.
