# ROOMS

THE BOUTIQUE STYLE ROOMS HAVE AN INTIMATE, WARM LOOK OF WOOD COMBINED WITH INDONESIAN INFLUENCES. MOST ROOMS HAVE AN INDOOR BALCONY OR A FRENCH BALCONY AND ARE FITTED WITH ALL THE LATEST CONVENIENCES.

## SUPERIOR KAMER

These modern Asian-influenced rooms include a king-size bed and desk where you can work. The open bathroom has a rain shower, a separate bath and a separate toilet and can be completely closed off from the rest of the room.

## SUITE

The suites, with shower and bath, have a spacious layout and are fitted with a French balcony. With their unique location in the glass tip of the building, each suite has a 180° view of the historic buildings of Amsterdam, the River IJ and Amsterdam Centraal Station.

## MICE OVERVIEW

Hotel Jakarta Amsterdam has 245 m<sup>2</sup> of meeting space that can be used for a variety of events and functions. This space can be divided into three rooms, all of which have lots of natural light thanks to the large windows, making them feel light and spacious. Each room also offers a fantastic view not just on one but two sides: one taking in the River IJ and Amsterdam Noord, the other overlooking our subtropical courtyard with its tall palm trees.

## FACILITIES

Enjoy breakfast, lunch or dinner at Café Jakarta or indulge in a cocktail at Skybar Malabar. Pamper yourself in the wellness centre with swimming pool and sauna. Hotel Jakarta has so many facilities!

## SKYBAR MALABAR

A fusion of cultures and a blend of styles and flavours. Choose an adventurous cocktail from the Far East, surprise yourself with a 'work of art' by our mixologists or opt for a Western classic. On the 8th and 9th floors of Hotel Jakarta you can enjoy a panoramic view over Amsterdam!

SkyBar Malabar is located on the top floor, 31.6 meters above sea level.

## WELLCOME WELLNESS

WellCome Wellness in Hotel Jakarta stands for inner peace, serenity and a luxurious ambience combined with Indonesian influences and elements. Our hotel guests can make free use of our swimming pool, gym and sauna to help them fully unwind during their stay. Enjoy beautiful views over the IJ and relax in one of our treatment rooms!

WellCome Wellness is located on the first floor and is also accessible via the ground floor from the street.

## BAKERY WESTERS

The fact that Hotel Jakarta houses a bakery is no coincidence: the founder of WestCord Hotels comes from a family of bakers, and the bakery is an ode to the original bakery Westers, in operation on Vlieland since the 1950s. We bake the most delicious fresh bread all day long, so come along and have breakfast or enjoy a delicious sandwich for lunch. It is also the ideal place to work quietly with a fresh cup of coffee or to grab a hot drink on the go.

Bakkerij Westers is located on the first floor and is also accessible via the ground floor from the street.
